

Framingham United Soccer Club 2010

Henry Politzer Memorial Scholarships

Lori Vengrow Memorial Scholarships

Jonathan Allan Memorial Scholarships

The Framingham United Soccer Club and the Framingham United Boosters Club annually offers scholarships to graduating high school seniors who have been players or referee members of FUSC and who will be attending an accredited two or four year college after graduation. This year several \$750 scholarships are being offered. The scholarships are awarded in memory of three individuals.

Henry Politzer, who is remembered and esteemed by our club was a founding member of FUSC. He conducted exceptional soccer coaching clinics, wrote numerous articles in "Coaches Corner" of Soccer New England, helped create the Pocket Skills and Drills Coaching Manual and participated in several Boys' Memorial Day Tournaments. Henry played professionally for six years in Vienna for the Austria Football Club. FUSC honors his many years of dedication to the sport of soccer and to the children of Framingham through these scholarships.

FUSC has designated one scholarship in memory of Jonathan Allan. Jonathan, who died in 1997, graduated from Framingham North High School in 1990 and participated as a member of FUSC as both a player and referee for many years. This scholarship will be awarded to a graduating senior who, in addition to meeting all of the regular criteria, has performed notably as a referee. Another scholarship has been designated in memory of Lori Vengrow, who died in 1998. Lori graduated from Framingham High School in 1991 and participated as a player member of FUSC for many years.

Awards will be granted to students graduating from high school this year who have lived in Framingham for six or more years. An applicant must have been an active participant in FUSC for at least six sessions. The seasons need not have been consecutive. Applicants who are not currently playing organized soccer or who have left the club to promote their own personal advancement of soccer are eligible to apply. Applicants' school records must indicate a probability of success in a chosen field of higher education. Schools of choice must be accredited as either a two or four year program. The scholarship committee seeks a well-rounded student to be a scholarship recipient. *Dedicated commitments to FUSC, school and community will weigh heavily in award selections.* In addition to these requirements, applicants for the referee scholarship must have participated as licensed referees in the club for at least four seasons, which need not have been consecutive.

An application is on the reverse side of this notice. Additional applications are available at www.fusc.org or in your high school guidance office. You could also send a self-addressed envelope to: Geary Stacey, 13 Norman Drive, Framingham, MA 01701.
