

## **Mass Premier Soccer coaching for your team!**

Attention, all U8 and U10 coaches! Framingham United Soccer is sponsoring coaches clinics this fall lead by Mass Premier Soccer. MPS is the sponsoring organization for the Boston Renegades and the Boston Bulldogs, and have been involved with player and coach development for several years in the Boston area.

So, bring your team to Merchant Road according to the schedule below. The practices will be professionally developed sessions, run by MPS coaches. This is an excellent opportunity to learn how the pros coach, plus the chance for your kids to experience a professionally directed practice.

There will be some time after the session is over for you to ask questions of the MPS coaches about your practices, or anything else, for that matter. See you there!
